

Upon The Rock's Summer Camp 2011

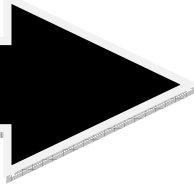

Are You Willing to Walk the Narrow Road?

Matthew 7:13-14

Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it.

In years past, we have done our best to keep the cost for camp low, but as we learn more about how to run the financial side of this ministry effectively, we felt the need to give families the opportunity to see the actual cost involved in order to provide a well supervised, potentially life changing camp experience.

This year we are offering a voluntary 3-level pricing program. Level (1) represents the actual cost for a child to attend camp for the week. Level (2) represents a partially subsidized rate and Level (3) is our historically subsidized rate. We realize that families have differing abilities to pay. Therefore, you get to choose the price that works best for your situation, and your decision will not influence the quality of care or programming your child receives.

Level 1
\$475

Level 2
\$375

Level 3
\$300

Partial scholarships of \$150 per child are available.

To apply for a scholarship, contact Mark or Kim at 719-742-6777 or at uprocks@juno.com.

We know there is a financial crisis going on, so if this new pricing program is going to prevent your child from coming to camp, be sure to give us a call...God has always provided funds for every child that was supposed to attend camp at Upon The Rock!!
